Nature of Contract: (Briefly describe the general terms of the contract)

Since 1990-91, the County has received grant funding under the State of California Street Enforcement and Prosecution Program for the continuation of special narcotics programs. The County's program is a combined effort of the Sheriff's Department, District Attorney, and Probation Department, in conjunction with local cities, with the goal of reducing the number of clandestine methamphetamine laboratories operating in the County.

The County's 2004-05 grant award, in the amount of \$1,306,693, provides continued funding for six criminalists, one sheriff's services specialist, one probation officer, three full-time equivalent deputy district attorneys (prosecutors), supplies, training, equipment, and clerical support costs associated with the program. The grant period is from July 1, 2004 through June 30, 2005. No matching funds are required.
